

Dear Teacher,

We're excited that you are interested in bringing REEL CANADA's Gala Film Festival experience to your school this year!

The Gala Film Festival is REEL CANADA's signature event and is the most immersive for students. Because of the amount of work and planning involved, we can only do a very limited number of Gala events each year. The festival is entirely **free of charge**, and eligibility is based on a number of factors, including location, number of participating students, and support of the administration and/or teacher team, among others. If you'd like to apply, please fill out the form below.

Lastly, if you have any questions about the form, feel free to give us a call at 1-855-733-5796.

We look forward to hearing from you,

The REEL CANADA team
